Dear Block Parent!

We hope you've had a wonderful summer!
Welcome Back!!

Have you been wondering what Block Parent has been up to lately?

Well, our Board of Directors have been very busy this summer working on making our program better than ever! We have formed several committees to better service our community and most of all, you, our wonderful Block Parents!

Our goal this Fall is to reach out to our Block Parents, old and new, by updating all of our records, gathering email addresses and creating a new and improved website!

We've been actively recruiting new board members, event volunteers and Block Parents as well as looking forward to rolling out our new Area Representative Management Program!

Plans are also in the works to hold a Volunteer Appreciation Night to let you know how very much we appreciate the leadership role you've taken to ensure your neighbourhood is a safer one!

Process Block Parent applications and create packages for sign delivery.

...AND we're also looking forward to visiting our regions schools to educate children about Block Parent homes; how the familiar red and white signs can help prevent crime and provide a safe haven to those children, seniors and others, who find themselves in an uncertain situation.

Please visit our website, email us or call our office at any time for more information on how to become a Block Parent.

Volunteer in your community without ever having to leave the comfort of your own home!
